

Mewar E-Newsletter

At Mewar, we do not wait for the perfect moment; rather we believe in taking the moment and making it perfect. We prepare our students to make the best out of the opportunity. Our guiding principle is 'if we do not have the best, let us make the best of what we have.'

One should remember that "honesty is the first chapter in the book of wisdom" and we endeavor to inculcate honesty and integrity in all what we do.

We at Mewar instill in our students during their education the attitude of service before self. I take this opportunity to express that our every effort is made to improve the existing best services to bring out the best for the welfare of our institution and the growth of our students.

Best wishes

CA. (Dr.) Ashok Kumar Gadiya
Chairman

Chairman's Message

General Secretary's Message

At Mewar, we believe success comes to those who work hard and stay with those who do not rest on the laurels of the past. Change in today's world is riding an accelerated pace and we need to pause and reflect on the entire education system

Education all over the world is undergoing a radical shift. Knowledge is no longer constrained by time and space. It has expanded beyond the classrooms. Hence, in our institute we continuously mentor, monitor and evaluate the learning environment which is needed to provide required intellectual stimulation to the young minds.

The values imparted by us are surely going to make them socially responsible citizens.

Best wishes

CA. Ashok Kumar Singhal
General Secretary

Director's Message

Education is the basis of all progress. Its purpose is to inculcate humanitarian values, wisdom, compassion, courage and reliability in students. We at Mewar have marched forward to spread the light of education and pave the path of excellence for every student.

It is heartening to see the achievement of the students throughout the year. With such qualities our students are bound to reach greater heights in all their functional areas and make us proud.

Best wishes

Dr. Alka Agarwal
Director

Shri. Mohan Bhagwat in our campus

While presiding over a book release function written by Dr. Khwaja Iftexhar, former adviser to Prime Minister of India, Shri P.V Narsimha Rao, Shri Mohan Bhagwat made a strong pitch for religious harmony and said there cannot be any dominance of either Hindus or Muslims in a democracy like India and stated that the DNA of all the countrymen of India is not different for anyone. Shri Bhagwat asserted Hindu - Muslim are one and the base of it is our motherland. We cannot be separated on the basis of our methods of worshipping.

The time has arrived when we have to forget our differences-linguistic, regional and such other factors and be united so that we succeed in our goal of making our beloved country as 'Vishva Guru'. He was emphatic that only if India becomes Vishva Guru, then only world will be a better and safe place to live in.

He went on to add that anybody who does not wish Muslims to live here, is not a real Hindu. He further said that development in the country is not possible without unity, the basis of which should be nationalism and glory of ancestors. While beginning his speech, Shri Bhagwat said he was attending the event neither for any image makeover nor for vote bank politics. He was very categorical that RSS is committed to nation's welfare. Politics

is not for the volunteers. The sangh does the job of bringing people together whereas politics acts as a instrument for creating differences between people. He said Hindu and Muslims are not able to present an united picture because of politics only. The main aim of RSS is to work for the nation and take it to greater heights. Shri Mohan Bhagwat is the sixth Sarsanghchalak of the Rashtriya Swayamsevak Sangh. Shri Bhagwat has been particular about reaching out to wider public. In 2017, the state-run Animal and Fishery Sciences University awarded Mohan Bhagwat with an honorary doctor of science (DSc) degree during its convocation ceremony in Nagpur.

The program was attended by Shri Ashok Kumar Singhal, General Secretary and Dr. Alka Agarwal, director of the institute.
