A dynamic, vibrant and fast developing economy emphasizes the need of competent managerial and technical professionals. These professionals need to be equipped and capable enough to meet the requirements of a challenging and volatile business environment. Drawing inspiration from these challenges, Mewar stresses on imparting quality education to its students for their all round development in order to achieve global excellence. Besides academic development, other aspects such as communication skills, leadership qualities, self discipline are also being focused.

We endeavor to explore the inherent potential of the youngsters. We develop our students who are aspirant for professional career by making them suitable for the current day market needs. This is made possible by providing them placements at renowned companies with the best terms. Our efforts for placement of our students continue...

Best wishes

3rd Jan. 2022. Industrial Visit by Dept. of Commerce

The Department of Commerce organized an industrial visit to 'Parle-G', Bahadurgarh, Haryana. The visit sensitized the students to practical challenges that organization faces in business. It also gave clarity to students about various industrial concepts. The students also got an opportunity to understand the challenging conditions in which workers have to perform. The visit enabled the students to understand how they can implement their ideas in practical ways.

03rd to 10th Jan. 2022-Faculty Development Programme

A seven day Faculty Development Programme (FDP) was organized by the IQAC of the institute under the guidance of Dr. Alka Agarwal, director of the institute. As a researcher it is

mandatory for one to know the basics and have a core idea in order to satisfy the purpose of research and establish an acceptable conclusion. The FDP

intended to orient participants towards developing their own understanding of research with due attention to every stage of it. The FDP received an overwhelming response from the participants.

The programme was jointly inaugurated by Dr. Ashok Kumar Gadiya, Chairman, Mewar Group of Institutions, CA Ashok Kumar Singhal, General Secretary, Dr Alka Agarwal, Director and guest of honour Prof J. K. Sharma, Dept. of

Commerce, Maharishi Dayanand University, Haryana. In her welcome speech Ms. Harmeet Kaur, Convener briefed the participants about the subjects chosen for the FDP and highlighted the reasons and importance of the same. The programme progressed with an opening lecture by Prof J.K. Sharma, in which he mainly focused on the purpose of FDPs and expected outcomes. He further added that this FDP programme will provide special benefits to faculty members and research scholars as research is a lifelong learning process and we can never say that we are saturated with the concept or the topic.

12th Jan. 2022- Swami Vivekanand & Guru Gobind Singh Jayanti

Swami Vivekanand and Guru Gobind Singh jayanti were celebrated at the institute with great patriotic fervor. Dr. Ashok Kumar Gadiya, chairman of the institute said in his address that only by celebrating the birth anniversaries the country will not become great, but people should be aware of the birth anniversaries with positive thinking and follow the ideals of great men. He went on to add that Guru Gobind Singh was the last Sikh guru. He was the son of Guru Tegh Bahadur, who gave his

life to protect religious freedom. He succeeded his father when he became a Guru at nine years of age. Under his guidance and inspiration, the Khalsa followed a strict moral code and spiritual discipline. It was through his courage that the people rose against the oppression of the Mughal rulers in India at that time. He always worked for the upliftment of the society. He was the role model for today's youth.

He also threw light on the extra-ordinary life journey and remarkable deeds of Swami Vivekanandji. Dr. Gadiya reminded the gathering about the plea of Swamiji for the need of nationwide rejuvenation with the ideals of 'tyaga' or sacrifice and 'seva', selfless service the most imperative aspect of shaping the life of youth. Swamiji's prophetic words remain true even today. Swamiji's personality was so inspiring that he became a well-known figure not only in India, but abroad. He exhorted the students to imbibe the qualities of Swamiji.

The program was attended by Dr. Alka Agarwal, director of the institute, among others.

18th January 2022- Guest Lecture by HSS dept.

Our Law institute organized a guest lecture on 'Law as a Career'. Shri Padmesh Kataria, Advocate was the guest speaker on the occasion. At the very outset the honorable speaker was felicitated by Dr. Alka Agarwal, director of the institute and Dr. Sanjay Singh, Principal, Mewar Law Institute. The learned speaker began his speech by informing the students about the importance of law in our day-to-day life. He further went on to add the different options that the students can undertake after completing their graduation of law. The programme was a great success keeping in mind the involvement of students and faculty members who raised very pertinent legal questions and suitably replied by the distinguished guest.

The highly informative session came to an end with a vote

Panorama

of thanks by Dr. Alka Agarwal, director of the institute. She stressed in her speech that the need of the hour is that we should all abide by law which will make the world a better place to live. The session was attended by the students and faculty members of Law department among others.

20th January 2022- Netaji Subhash Chandra Bose

The 126th anniversary of Netaji Subhash Chandra Bose was celebrated at the institute. Speaking on the occasion Dr. Ashok Kumar Gadiya, chairman of the institute said that Subhash Chandra Bose was a leader in every sense. He imbibed the thinking of his political guru Deshbandhu C.R Das, on India securing Poorna Swaraj. The message of patriotism can be filled into the minds of today's youth by invoking the name of Netaji and reminding them of his selfless sacrifice and ultimate patriotism with which he fought for country's freedom from British rule. He went on to add that his military exploits, unmatched patriotism and exemplary bravery have made him a role model for the youth of this country. His charisma was beyond measure.

Netaji leaves behind a legacy, for the young and old to follow in the service of the motherland. Dr. Gadiya concluded his address by invoking Netaji's immortal words when he said "We should have but one desire today. The desire to die so that India may live"

The program was attended by Dr. Alka Agarwal, director of the institute, among others.

26th January 2022- Republic Day Celebration

The 73rd Republic Day was celebrated at the institute with great enthusiasm, and fanfare. The program started with the national flag hoisting ceremony by Dr. Ashok Kumar Gadiya, chairman of the institute, in the presence of distinguished gathering. To celebrate the occasion students prepared various cultural programs, patriotic poems and speeches to show the diversity, heritage and cultural richness of our country.

Speaking on the occasion Dr. Gadiya reminded us about the importance of the day in India and in the life of every

Indian. This is the day when the constitution of India came into force on 26 January, 1950 replacing the Government of India Act (1935) as the governing document of India. He went on to add that this day reminds us of various trials and tribulation faced and the sacrifices made by our great freedom fighters. Dr. Alka Agarwal, director of the institute urged the students and faculty to work for the preservation of the spirit of our republic and work to take our country to greater heights among the comity of nations. She thanked everyone present on the occasion and said that the Republic Day celebration is a flagship program of the institute.

01st Feb. 2022- Seminar by Dept. of Commerce.

A seminar was organized by the department of commerce on 'Intellectual Property Rights'. Shri Amit Kumar, Senior Observer of Trademark and Geographical Indication, Shri Abhishek Pandey, Observer, Patent Design dept., Dr. Laxmi Meena, Dr. Sunil Kachairia and Dr. Vineeta Sayal were the guest speakers on the occasion. Mr. Pandey interacted with the students and explained about the meaning and importance of Intellectual Property. He went on to add that intellectual property is any music, literacy work art symbol name, trademark, copyright etc. created by any person or organization. Intellectual Property Rights are the rights given to person over the creations of minds. IPR usually give the creator on exclusive right over the use of their creation for a certain period of time. The program was concluded with a vote of thanks by Dr. Alka Agarwal, director of the institute.

12th Feb. 2022- Maharishi Dayanand Saraswati

"In order to succeed in life, three things have to be implemented - spiritual practice of truth, charity and positive thinking" were the words of Maharishi Dayanand Saraswati. On the occasion of his birth anniversary, Dr. Ashok Kumar Gadiya, chairman of the institute threw light on the life character and ideals of Maharishi Dayanand, said that the views of Maharishiji are still relevant. Only after the execution of these all, disputes and hypocrisy in the world can be avoided. Even today, we are bound in prejudices,

Panorama

blind beliefs and conservative traditions. Character arrangements still persist. He also discussed about sacrificing character system, superstition, orthodox tradition, greed, attachment etc. Dr. Gadiya also insisted that everyone should read “Satyarthha Prakash” the most influencing and promising work of Maharishi ji. The program was attended by Dr. Alka Agarwal, director of the institute, among others.

15th Feb. 2022-Guest Lecture by Dept. of Education

A guest lecture on the topic “Understanding life skill – Unlimited possibilities to deal effectively the challenges of everyday” was organized by Department of Education. Dr. Vineeta, Principal, Satyam College, Noida was the key note speaker. She addressed students about the life skills used to describe a set of basic skills acquired through learning or direct life experience that enable individuals and groups to effectively handle issues and problems commonly encountered in daily life. She went on to add that creativity, critical thinking, problem solving, decision making are the abilities to communicate and collaborate along with personal and social responsibility are the essential skills to be a successful citizen.

She further said that democracies need active, informed and responsible citizens who are willing and able to take responsibility for themselves.

She concluded the session by stating that a developing life skill may help to reduce stress aggression and violence that make life easier. Life skills also have to deal with kinds of challenges we are facing at different times in our lives. The program was concluded with a vote of thanks by Dr. Alka Agarwal, director of the institute.

16th February 2022- Chhatrapati Shivaji

“A child's personality is duly shaped by his mother, teacher and guru and Chatrapati Shivaji is the most shining example of this. The world has not seen a fearless warrior, able administrator and a promoter of communal harmony like Shivaji. Today's youth should take him as their role model and follow his ideals and that would be true service to the nation and society” speaking on the occasion of Shivaji jayanti celebrated at the institute, chairman of the institute, Dr. Ashok Kumar Gadiya observed as above. Dr. Gadiya went on to add that Shivaji was the founder of Maratha Empire. He was a very brave and kind hearted person. He never collected taxes forcefully. People had the freedom to choose any religion. He took care of people like their father. Shivaji built a strong army. He introduced the guerrilla warfare tactics. He also built a strong navy. He is called the “Father of Indian Navy”. He was one of the most progressive and sensible rulers in the history of our country.

Tales of his bravery are countless and stories of his victories innumerable. Dr. Gadiya also added that Shivaji stood for the honor of women and made sure none were taken prisoner. Women of captured territories were unharmed. Dr. Gadiya concluded that a king like Shivaji will always live in our hearts. A program was presented by the students full of patriotic songs, speeches etc, covering the life and times of Shivaji.

28th Feb. 2022- Workshop by Incubation Centre

On the Occasion of National Science Day, the Incubation Centre of the Institute and Department of Science and Biotechnology organized a workshop on the subject 'Integrated Approach on Science and Technology for Sustainable Future.'

Dr. Amitanshu Patnaik, Senior Scientist, Defense Geo Informatic Research Establishment, DRDO graced the occasion as chief guest. Dr. Alka Agarwal, director of the institute informed the gathering about the utility of National Science Day and incubation centre of the college. She also reminded the audience about the achievements of Noble laureate Sir C.V Raman. Dr. Patnaik highlighted achievements of DRDO and laser technology. A science quiz competition was organized on the occasion which was enthusiastically participated by the students under the guidance of the Shri Ajay Kumar, Coordinator Incubation Centre. Curtains were drawn on the day long programme with a vote of thanks proposed by Dr. Neetu Singh, head department of Science and Biotechnology.

12th March 2022-International Women's Day Celebration

International Women's Day was celebrated at the institute. This day is celebrated to show our love, respect and appreciation for women. The chief guests on the occasion were Ms. Kajal Suri, Programme Executive, Akashvani,

New Delhi, Dr. Shefali Raizada, Deputy Director, Amity University, Noida, Dr. Beena Sharma, Associate Professor, Hindi department, M.M.H College,

Ghaziabad and Ms. Gagandeep Kaur, Mrs. India Queen. All the women said in their statement that women support the law, if the power of women is stuck, then fight back. The coming era will be the age of women. They were of the opinion that parents should inculcate the right habits regarding dealing with females in their sons so that they

Panorama

understand the sanctity and decency in life which will go a long way in preventing the unfortunate incidents of harassing the women. If such an atmosphere was created then it would be easy to save the identity of daughters in the country. 'Women are not scared, if anyone cares for their identity, and then let them openly oppose them' Dr. Ashok Kumar Gadiya, chairman of the institute said in his address. He further said that girls must learn a vocational course along with education which will enable them to learn life skills and such empowered women will make the nation proud. There is a need to bring in changes in our women's perspectives and the women must realize their innate potential and they should make themselves empowered and independent. This will change their way of thinking and country will also look at them with renewed hope, expectations and possibilities. Dr. Alka Agarwal, director of the institute said in her welcome address that nothing is possible without the participation of women in the development of the country; the women are no more helpless these days. Men should not underestimate them as weak, women has started to prove themselves in every field. The program was successfully conducted by Ms. Anu Mehra, Head PDP dept.

16th March 2022- Holi Celebration

One of the major festivals of India, Holi was celebrated with great enthusiasm and gaiety at the institute. The festival signifies the victory of good over evil, the arrival of spring and end of winter. Dr. Ashok Kumar Gadiya, the chairman of the institute said in his address that the spirit of Holi encourages brotherhood in society and on this occasion even enemies turn friends. People of different communities and religions participate in this joyous and colorful festival and strengthen the secular fabric of the nation. Dr. Gadiya congratulated the audience for celebrating Holi in an eco friendly manner. Only flowers and gulal were used in the celebration. The gathering included Dr. Alka Agarwal,

director of the institute and Dr. Sanjay Singh, Principal, Mewar Law Institute, among others.

23rd March 2022- Shaheed Diwas

Shaheed Diwas (Martyr's Day) is the day the great patriots and revolutionaries Bhagat Singh, Sukhdev and Rajguru laid down their lives for freedom of our country from the British rule. On this occasion Dr. Ashok Kumar Gadiya, chairman of the institute and Dr. Alka Agarwal, director of the institute felicitated Shri Akshaywarnath Srivastava, renowned theater artist and family member of great revolutionary and freedom fighter Smt. Durgawati Devi, popularly known as Durga Bhabhi and Smt Bala Tandewal, wife of shaheed K.P Singh Tandewal. Dr. Gadiya said in his address that it was a very sad and poignant day in the history of our country because on this day the country lost three of its most patriotic sons who accepted the gallows and laid down their lives for the country displaying exemplary courage and bravery. This happened on 23rd March 1931. The trio became popular folk heroes after their executions. Dr. Gadiya further said that the youth of India still draw tremendous amount of inspiration from this trio. Dr. Alka Agarwal concluded by saying that because of the unforgettable sacrifices by these patriots we are breathing free. We should not only be grateful to these martyr's for their sacrifices, we must preserve the hard earned freedom of our country at all costs and that will be a fitting tribute to these immortal sons of the motherland. The program was successfully anchored by Shri Amit Parashar, faculty HSS dept.

24th to 26th March 2022 - National Seminar by Dept. of Education

A 3 day National Seminar was organized by the Department of Education. The very contemporary topic of the seminar was 'Impact of Artificial Intelligence on Modern Education System'. The honorable speakers were felicitated by Dr. Ashok Kumar Gadiya, Chairman, Mewar Group of Institutions and Dr. Alka Agarwal, Director, Mewar Institute of Management. The distinguished speakers included Dr. Vijay Jaiswal, Dean, Chaudhary Charan Singh University, Meerut. In his address the learned speaker said that Artificial Intelligence can enable new ways of learning, teaching and education, and it may also change the society in ways that pose new challenges for educational institutions. It may amplify skill differences and polarize jobs, or it may equalize opportunities for learning. The next speaker was Prof (Dr.) Arvind Kumar, Dean, Atal Bihari Bajpayee School of Management and Entrepreneurship, Jawaharlal Nehru University, New Delhi. In his address Dr. Kumar said that

Placement

The Corporate Training and Placement Cell of the institute provides guidance and all assistance to the students in order to achieve their career goals. For doing this, the department identifies the current demands of the industry and prepares the students accordingly.

Adequate emphasis is given for soft skill development complementing the regular academic programs.

Placements are benchmark to the performance of any institute and it reaffirms the success and growth of the institution.

The following placements were effected during this academic session.

Company	Course	No. of Students
Voto Consulting Inc.	BCA	03
	B.Com	04
Leverage Edu.	BBA	06
	B.Com	04
R Lochan & Associates Law Firm	BA.LLB.	07

**Co-editor - Shivani Agarwal, Faculty, Mgmt. dept.,
Designed by - Bhudev Singh Saini**

Artificial Intelligence can dramatically improve the efficiencies of our workplaces and can augment the work humans can do. When AI takes over repetitive or dangerous tasks, it frees up the human workforce to do work they are better equipped for—tasks that involve creativity and empathy among others.

Next in the series of speakers was Prof (Dr.) Pramod Kumar Mehra, School of Humanities, Tagore Bhawan, IGNOU. Dr. Mehra observed that Artificial Intelligence technology is important because it enables human capabilities—understanding, reasoning, planning, communication and perception—to be undertaken by software increasingly effectively, efficiently and at low cost. The other speakers included Dr Akhilesh Kumar Gautam, Delhi Universty, Ms. Asha Kiran, Ms. Pragya. There was a convergence among the different speakers on the concept of Artificial Intelligence. They said that modern Artificial Intelligence systems can capture and 'understand' their environment in real time; they can make optimal decisions, based on multiple signals, in milliseconds. Artificial Intelligence is already changing our world. Professor, teachers and research scholars of various universities / institutes presented their papers in the seminar. The seminar was attended by the faculty members and students of dept of education including Dr. Geeta Rani, Head, Dept. of Education.

Felicitations of Chirag Tomar, BA.LLB student

It was a moment of pride and a day to rejoice when Chirag Tomar, final year student of BA.LLB was felicitated by Dr.

Ashok Kumar Gadiya, chairman, Mewar Group of Institutions and Dr. Alka Agarwal, director of the institute for winning Zee TV SA RE GA MA PA Hippi GOAT Competition among 45,000 participants. He gave a special performance in the grand finale along with Grammy nominated Shilpa Rao in the presence of the contest judges Shankar Mahadevan, Vishal Dadlani, Himesh Reshammiya and Udit Narayan. Chirag has also qualified in the Mumbai auditions for Indian Idol-13. The institute while feeling proud wishes Chirag many more laurels in his future endeavors.
