

Mewar E-Newsletter

We at Mewar train the youth in such a way that they become leaders of tomorrow with apt skills, deep rooted sense of social responsibility, strong ethical values and with an outlook to face the challenges of the ever changing world.

We inculcate in the students a respect for tradition and ensure discipline and good manners. Our faculty is trained not only to teach well but are also expected to inspire confidence and trust in their students and become role models. As we have always believed that the best teachers are those who become inspirational for their students. We are confident Mewar is the best place for a student's holistic development and I assure, we will not rest on our laurels and our efforts to further excel in all our functional areas will continue...

Best wishes

Chairman's Message

General Secretary's Message

At Mewar we always believe education as a means of developing our greatest ability and attitude- the pre-requisite of personality- towards our nation, our society.

Each new session comes with its own sets of expectations. We have taken the onus to equip ourselves with the skills and tools required to survive in this world of fierce competition. We are committed to create an ambience for nurturing innovation, creativity and excellence in our students. Our focus is to achieve unparalleled excellence that ensures individual development consequently optimizing their potential; it is an immense pride to watch that each bud blossoming into a fragrant flower spreading professionalism. Our journey moves with intention of maintaining the legacy with lofty goals.

Best wishes

Director's Message

The thrust of education at Mewar Institute is not only to produce mere degree holders but the bright young men and women equipped enough to foray into the world with an all round development of personality.

It is quite inspiring to watch and witness the potential of our students unfolding at various stages and situations each day. We hope the long list of distinguished alumni who are serving judiciary, administration, education, corporate, politics etc. would galvanize the youth into positive direction for the development of society.

Best wishes
